

WARRANTY AND CARE INFORMATION

CARE INSTRUCTIONS

- Take care when getting in and out of your suit. Finger and toe nails can pierce the supple material.
- Due to the abrasive nature of materials such as deck grip and hook and loop materials great care should be taken when using your suit.
- After each use rinse your suit with clean cool fresh water.
- Do not tumble dry or dry clean.
- Hang dry your suit in the shade on a wide plastic or wooden hangar. Avoid drying your suit in direct sunlight.

WARRANTY

Quiksilver wetsuits have been designed using the lightest most flexible materials. All flat stitched styles carry a limited lifetime warranty on workmanship and a limited 1 year warranty on materials. All glued and blind stitched suits carry a 1 year warranty on workmanship and materials. Under our warranty guidelines QUIKSILVER will repair or replace (at QUIKSILVERS sole discretion) this wetsuit if found to be defective under normal use and proper care. Should you find any fault in workmanship or materials during the warranty period, return your clean dry suit along with your original sales receipt to your QUIKSILVER dealer or send it directly to QUIKSILVER, freight pre-paid.

WARRANTY REPAIR POLICY

- Return your clean, dry wetsuit along with the original sales receipt.
- Warranty is non-transferrable.
- All suits repaired or replaced UNDER warranty by QUIKSILVER will be returned freight pre-paid.
